

Café Culture Series Carnaval Strings
Friday 20th March 8pm
 at the Marysville Community Golf & Bowls Club
 Free Concert - all locals welcome to attend

Classic black, old instruments & new sounds. A truly special program by this dynamic, traditional string quartet who present a range of music from Baroque and Classical, seasoned with Latin American, lively 50's and 60's Swing Jazz style and European Folk Tunes. The essence and passion of Hungarian folk music becomes obvious as the two Hungarian violinists wander through the audience. An engaging show that combines sophistication and fun with some surprises. This knock out quartet is destined to move their audiences. (as seen on Spics & Specs). See <http://www.carneval.com.au>

Atila Kuti ~ violin Camilla Murray ~ violin
 Zoltan Balázs ~ viola Karoline Kuti ~ cello

Councillor Comment

Cr Peter Boales, Kinglake Ward

It is now Friday 6 March, 27 days after the fires hit our shire, depending on when you start counting.

During this time I have left the shire on three short occasions and it is a strange feeling

To enter the Kinglake Ranges you have to show your arm tag (like a hospital tag) and on most occasions produce your drivers license. This is not what Australians are used to doing, but we understand why when the Australian Defence Force arrived (yes there were Navy and Airforce personnel here as well as the Army).

They were serving one thousand meals a sitting in Kinglake. The last meal they provided was for the community gathering we had on 21 February to formally mark our turning point from response to recovery. The number of meals for this occasion (again with restricted entry) was 3,000 with over 4,000 people estimated to be in attendance.

The logistics of looking after so many people has been a challenge to which most people and organisations have exceeded their own expectations. I thank all organisations and individuals, too numerous to mention, for their efforts over this trying period.

These times bring out the best and worst individuals and I can say without contradiction the best has been to the fore. It is also a time when old friendships which we all are guilty of letting slip away should be renewed, so Norm I will catch up soon.

It is times like these you know why you live where you live. I am very proud to live in Murrindindi and especially the Kinglake Ranges from Toolangi to Flowerdale.

MORGAN - A Funeral Service to farewell and remember Harley and Errol Morgan will be held at the Melbourne Christian Fellowship, 70 Holloway Rd. Wonga Park (Mel. Reg. 36 K5) on SATURDAY (March 14, 2009) at 11 am.

The family will gather for a Private Burial Ceremony at a later date

PAUL, Colin

A private family burial will take place at the Marysville Cemetery at a later date.

Mops

We shall operate! (in the future)

A lot of promises of stock have been made as well as a portable when it can be brought in.

Our thoughts and prayers are with the families of the volunteers whose lives tragically ended on 7 February.

We shall rise!

The Triangle needs you - We need you!

Your community needs you now!

The Marysville and Triangle Development Group Inc. (MATDG) was formed in the first couple of weeks after the fire. It was greatly assisted by The Hon. Fran Bailey MP our Federal Member of Parliament, Ben Hardman our State Member of Parliament and Major General John Cantwell, the then Acting Head of the Victoria Bushfires Reconstruction and Recovery Authority.

The Group's purpose is to assist the process of reconstructing Marysville and the Triangle including the communities of Marysville, Granton, Narbethong, Buxton and Taggerty. It will form an integral conduit between the community and the Reconstruction Task Force to make possible the provision of services and resources from Government and business.

A number of principles have been adopted by MATDG to guide its work.

Apart from being totally apolitical and determined to strongly represent the interests of local communities, MATDG is committed to:

- Consultation and communication.
- Initiative(s) from the community, not above it.
- Aim for 'better'
- Build skills: business skills as well as professional/technical/trade skills; use the resources available.
- Build confidence, and hence build aspirations.

Most importantly MATDG needs the community support. Accordingly you are warmly invited to become involved.

7 Sub Committees are being formed which will plan, design & deliver services and resources into our community in a timely and effective manner.

The Sub Committees are:

Finance

Storage and Distribution

Communication and Consultation

Economic Development

Employment & Training

Reconstruction: (i) Marysville (ii) Rural

Community Wellbeing
