

# THE DRUM

News & Information from MATDG- Marysville & Triangle Development Group Inc

*Incorporating the communities of Marysville, Granton, Narbethong, Buxton & Taggerty.*

Friday, February 27, 2009

Update No. 1

## Who are we?

The Marysville and Triangle Development Group Inc is the original body formed in the first week of the fires to assist in the coordination of the redevelopment of the area. It has now been formally incorporated and its membership will soon be finalized.

## Emergency Mail Boxes Set Up

MATDG has approached Fran Bailey, MP on your behalf to assist us in providing outgoing mail boxes so residents can send their mail as close to home as possible.

Both the Marysville Golf and Bowling Club and the Black Spur Inn will have this facility in place very shortly.

## Charity Golf Day Planned for Marysville

The Marysville Community Golf and Bowls Club Inc. is in on course to host a Charity Golf Day in May. The former State Premier, Mr. Jeff Kennett, has offered to assist in the planning of this special event. It is hoped national & international golfing greats, film stars and other personalities will join local Marysville & Triangle community members in a day to remember.

*Looking to our future growth & development*

## Free Internet Access

Negotiations are well advanced to provide free "internet cafes" for affected communities in the Triangle area. It is hoped to provide confirmed details in our next update.

## Government Appointment

Mr Bill Shorten MP has been appointed by the Federal Government as Parliamentary Secretary for the Victorian Bushfire Reconstruction, forming part of the Commonwealth's response to the bushfires. You may remember Mr Shorten as one of the coordinators at the Beaconsfield mining disaster in Tasmania.
