

# Forest Industries Community Disaster Relief Fund

## Applications for the first round of assistance close 1 May 2009

**If you're a forest worker or live a timber community, and you've been affected by the bushfires, you may be entitled to help under the Forest Industries Community Disaster Relief Fund.**

**The Forest Industries Community Relief Fund was set up by members of Australia's forest industry to assist timber communities devastated by Victoria's bushfires to rebuild their communities.**

**For details on how to apply contact:  
Trevor Brown at TCA's Healesville Bushfire  
Recovery Office on 03 5962 1874**
