**Marysville & Triangle celebration at the Marysville Golf & Bowls Club
Sunday 3rd May 10am – 3pm.**

this place is special...

For many residents, weekenders & businesses, Marysville & the Triangle District are special.

It might be the Mystic Mountains, the trees & gardens, local artists, restaurants, the sports, snow & skiing or just that "breath of fresh air". Whatever the reason for that special place in your heart, it's important to you and that's what really matters.

Black Saturday saw us take centre stage in the nation's "greatest peacetime disaster" with Marysville and the Triangle district burnt almost out of existence.

We will rebuild and the biggest question is how? What could the future of Marysville & the Triangle District look like?

On Sunday 3rd May from 10 am till 3 pm we're inviting everyone to have a say and to actively participate in a plan for the future.

With the help of a specialist moderator and eminent eco architect Nigel Bell, the day focuses on celebrating the Marysville & Triangle District. It will allow residents, business owners, anyone and everyone, the chance to say what's important.

A comprehensive programme has been developed. It covers important topics such as:

- History and memories
- Remembering the past & moving ahead
- What we care about and the future

As part of the process we're seeking 60 people or groups of people to present in 60 seconds what they see as special.

This segment, known as "Sixty Seconds on Marysville & District", will provide a wealth of ideas for discussion. It will form the basis for the next sessions in which everyone can discuss the key things that matter. Things from our past that we should take into the future combined with dreams of even better things.

There will be also be a brief presentation by the Marysville & Triangle Development Group (MATDG) to ensure everyone understands who it is, what it stands for and how it can make a difference.

MATDG needs you to sign up for the important work ahead.

the day's primary objective...

With your help, our aim is to develop a community vision that will form the basis for the way ahead.

Everyone who believes that the Marysville & Triangle District deserves to be even better is welcome to attend

So, let's tell the world what matters to us.

NO CHARGE

Just your ideas, inspiration & positive attitude.

**Sunday 3rd May,
10 am sharp - 3 pm
Marysville Golf & Bowls Club
Includes a light lunch for all**
