

# Dr Rob Gordon Returns to Marysville

All community members are invited to a free presentation on community recovery from the bushfires.

Key topics will include:

- Helping ourselves, helping each other.
- Stages of Recovery
- Dealing with the summer ahead.

Dr Rob Gordon will be returning to speak at this event. Dr Gordon is a renowned trauma and disaster specialist who has been presenting at fire affected community discussions throughout the State. Dr Gordon has over 20 years of involvement with the Victorian Emergency Management Plan.

He has consulted extensively with urban and rural communities, welfare and emergency service staff and agencies involved in fire, flood, earthquake, storm, cyclone and drought in most Australian states and New Zealand.

**When: 7:30pm Tuesday 15th December 2009**

A light dinner will be provided for all attendees at 6:30pm prior to Dr Gordon's presentation.

**Where: Kim's Kitchen –Marysville Village**

**Enquiries & Bookings: 0458 938 306**

***This is a free event. Everyone is welcome.***
