

Friends

Thanks for your part in making yesterday such a success.

The seating was efficiently set up and dismantled, the PA system was effective and unobtrusive, the little saplings and their temporary hole were just right, the food was excellent and the flags looked terrific (I saw them on Ch 7 in the evening and it made a great shot).

Our visitors were very appreciative. What a pity that our main guests of honour from Istanbul were indisposed!

Thanks to all concerned and to VBRRRA for its support.

Graeme, please pass this on to Matt M. Delice, please pass this on to Bev.

It was a good day for Marysville.

Cheers

Nick
