

Women Gathering After Fires

Bringing Women Together Because Together We Do Better

Friendship, Fun and Support

Women from fire affected regions are invited to apply for grants to start new women's groups or to support existing groups.

Wow! How do I qualify?

Easy. Come along to two workshop days and a feedback day where you'll meet other women, enjoy a great lunch, develop some new skills and share ideas in a fun and supportive environment.

Where?*

Healesville
Thursday 25th February 2010
10:30am to 3:00pm
RACV Healesville Country Club
Yarra Glen Road

There must be a catch!

A small one! Your group of women must be inclusive and meet at least six times. Making new friends takes time! Applicants are advised to team up with a partner - running groups can be hard work, so back up is a good idea.

I can't do that!

Actually, you probably can. If you can run a household, you can organise a group of women to get together. Also you will have a community worker who will support you by being there for a chat and offering assistance where needed.

Sounds great! Where do I sign up?

RSVP for the workshop
Phone: 03 5722 3009 or whealth@whealth.com.au

*Please advise if you need assistance with transport
or childcare for the day and any special needs.*
