**THANKS TO THE PEOPLE OF AUSTRALIA**

On behalf of the people of Marysville and the Triangle region we wish to extend our heartfelt thanks to the people of Australia, corporate and philanthropic Australia, federal and state governments and international communities for their generosity, support and encouragement following the bushfires of February 7, 2009.

We have not been able to thank each individual personally, nor we were able to reply to or take up all the offers of support. So to all of you, we thank you from the bottom of our hearts.
