

***PLANNING OR THINKING
ABOUT HOLDING AN EVENT?***

- Do you need some assistance with your planning?
- Do you know if there is another event on at the same time as you want to hold your event?
- What forms, requirements, permission do you need to hold your event.
- How do we have an events calendar that everyone can see?
- All these questions will be answered

Kat from Murrindindi Shire will be there with forms and answers to all these questions.
