About the YMCA

The YMCA is a community based charity that builds strong people families and communities, largely through recreational opportunities and strongly advocates for people of all ages and abilities to enjoy healthy and active lives.

Our work builds connections between people, encourages social inclusion and promotes individual empowerment by improving people's holistic health and wellbeing.

We do through a range of services with community partners in; Camping, Student Accommodation, Youth Service, Sport and Recreation, Leisure and Aquatic Centres, Community Housing, Early Learning Centres, Community Development Projects.

"We build strong people, strong families and strong communities"
