June 17th

Office Hours - Monday-Friday 9-5pm PH: 0458 938 306

☺ Were over the hump. ☺

Can you believe it's already the end of June? Where has the first half of the year gone. WOW!! I'm sure we're all looking forward to the days getting steadily longer again. So here's a few things worth celebrating now.

- 15 families have gone home this year - it must mean we're all getting higher up on the list and closer to going home too - that's gotta be good!

Volunteers continue to help out about the Village - thanks to Caulfield Park Community School who had 15 students and 7 teachers helping out with wood stacking, gardening and a bit of work around the grounds yesterday. Great stuff.

More volunteers coming in July to help out again. (If you have an issue regarding grounds or facilities which needs attention - let the Village Manager know so it can be rectified.)

- The Post Office has a lovely new roof and so do Terry and Sharen - Yay!!

- The Peart's have a fabulous rock garden and garden.

- Adam's house is looking brilliant and going home is so, so so close.

- Jared and Annie have bought land - settlement less than 2 weeks - woohoo!

- Ski Hires are open - looking great - absolutely love the new shelves Greg. ☺

- Kate and Michael's home is now to lock up - YES!!!!

- The Village Manager survived a week trapped in her office with a large box of choccie bikkies - no incidents were reported and both the Manager and the choccie bikkies are said to be doing well - now who was that resident who took forever to pick up that parcel????

- Jason and Christine have wrapped up at Material Aid - thank you so much for all of your hard work and friendly ear and thank you to all of the generous volunteers who helped out over the last 12 months - you all deserve a well earned break.

- More sod has been turned in Gould's Estate in preparation for another home construction - it really is a busy little part of town.

PAVERS

Over the last 5 months there has been an opportunity for village residents to improve the paving around their unit by using some of the stacked pavers near the storage shed. This opportunity has come to an end.

The 20 X 20cm concrete pavers are no longer available for use. Should you see anyone taking pavers please take their licence plate number and report it to Police - 5963 3222.

Thank you for your help in keeping our Village safe and crime free.

Not so Fantastic Mr Fox:

Mr Fox has been seen loitering about the Village - this probably explains some of our resident K-9s random barking at odd hours of the night. Very simply if there's no food left out - then there is no reason for him to keep coming back and he will move on. Make sure scraps go in covered bins, if you're feeding the birds - please use a designated container which can be brought in at night not left out to be pilfered. Please make sure our kids put scraps and rubbish in the bin.
